a family tradition...

It's over 20 years since we opened our first location on the promenade in Peel.

Now into our fourth generation as a family business, we still hold dear our founding values of quality and service. Whatever the occasion for you visit to Harbour Lights, we aim to make it one to treasure. We pride ourselves on offering quality ingridience, sourced wheverever possible locally, which we prepare honestly.

Our greatest pleasure is welcoming you and your family and creating new memories and traditions.

afternoon tea at Harbour Lights

The seventh Duchess of Bedford began a tradition that has delighted generations since 1940's, when she started taking tea and sandwiches to bridge the gap between lunch and dinner. By Edwardian times, Afternoon Tea meant visiting the smartest establishments with the most elegant china and silverwear.

Today, Afternoon Tea at Harbour Lights is a chance to indulge in freshly made sandwiches, delicious cakes and of course warm handmade scones.
